OPTIONS

Wood Species/Finish

Units can be specified in standard TUOHY Wood Finishes, Solid Colors, or any combination thereof. Exotic veneers and sketch-face patterns may be applied on a quote basis.

Parametrics

Xpect products are parametrically specified. You are not restricted to the sizes listed in this price list. Call out the nominal dimension that you desire, TUOHY will calculate the appropriate edge overhangs based upon the style you select. There is no surcharge, just use the price for the next larger unit.

Example: LAAA-76-34 is a 76 wide x 34 deep rectangular 2 box/file-2 box/file desk. The price would be the same as a LAAA-78-36, which is the next size larger in both width and depth.

The following dimensions are fixed and cannot be changed:

Pedestal heights are 28.4 inches tall

Drawer style pedestals are available in 18, 30, 36 inches widths only.
