

BRYANT PARK

LOUNGE SEATING

TUOHY

BRYANT PARK BLENDS FUNCTIONALITY,
MIXED MATERIALS AND CURVED FORMS
IN THIS ITERATION OF TIM DEFIEBRE'S
CONTEMPORARY DESIGN STUDY
CALLED NEIGHBORHOODS.

The luxury and comfort of **Bryant Park's** design are preserved in its moderate scaling.

Bryant Park is available at visitor's heights, as a swivel on a disk base, and lounging height with metal legs.
