

A modern conference room setup. A large, light-colored wooden table with a thick top and a beveled edge is the central focus. To the left, a dark wood cabinet with four drawers and small metallic pulls is visible. On the wall behind the table, a large black TV is mounted, displaying the text 'KARO' and 'CONFERENCE COLLECTION'. Two small white papers with black clips are placed on the table. The floor is a dark, textured material. The lighting is soft and focused on the table and TV.

KARO

CONFERENCE COLLECTION

TUOHY

A minimalist interior scene featuring a long, low wooden table with a single, thick, vertical metal leg. The table is positioned in the center-right of the frame. To the left, there is a long wooden cabinet with several drawers and doors. Above the cabinet, a large whiteboard is mounted on a wooden frame. The background is a dark, solid wall, and the floor is a light-colored, polished concrete. The lighting is dramatic, with a strong light source from the right, casting long shadows and highlighting the textures of the wood and metal.

Karo Leg. The essence of minimalism.

Integrated Technology
