Adjustable Desk Runoff for private office

## ELEGANCE WORKS

### **Prato Collection:** Adjustable Height Surfaces

Height adjustment is required throughout the workplace. Shown above is a private office workstation with a 36-inch runoff surface that adjusts as needed. The knee hole area below the adjusting surface is open on this configuration.

Adjustable surfaces are available for desks, runoffs, and credenza applications, each in a range of sizes.

Sliding doors are available in a writing surface.
