

SPYDA

TABLES

TUOHY

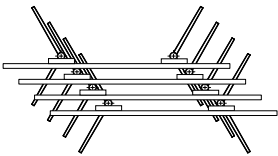

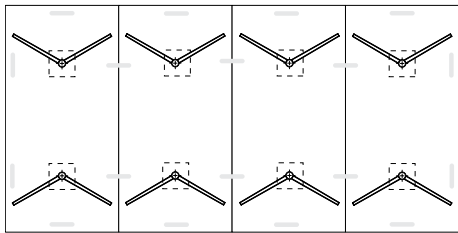

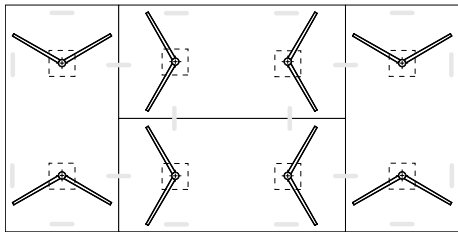

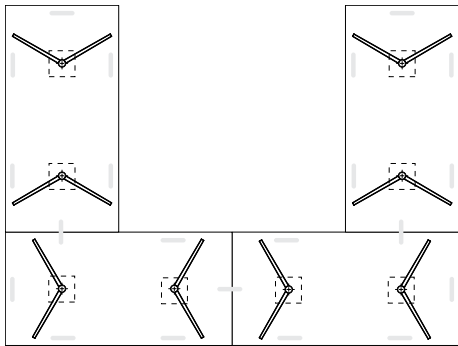

Spyda Tables

A collection of spider leg-base tables, available in a range of top shapes and top materials/finishes, all with a brushed steel base and column. Tables are suitable for all purposes served by a full-height table, including video and standard conference, collaboration, dining, desking, hospitality, education and teaming. Bases have machine-shaped steel legs with levelers, in T and X configurations; steel tube columns and formed steel mounting plate. Nominal table height is 29.9-in.

Modular tables offer rapid **configuration opportunities**.

ELEGANCE WORKS

Spyda Tables

TUOHY's design/manufacture processes follow DfE (Design for the Environment) protocols, a full life-cycle assessment method for minimizing environmental impact. Please refer to the List Price Schedule for complete specification information, pricing and options.
