

UPHOLSTERY (cont.)

Additional yardage may be required if roll width is less than 54 inches or a pattern requires matching due to repeat. The chart at right will be helpful as a general guide. Please confirm with our Customer Service Department on specifics regarding selections for your project. Changes in yardage requirement will affect upholstery grading in TUOHY Upholstery Partnership Programs.

Note that repeat is the sum of horizontal and vertical repeats; headings are listed in inches:

WOOD FINISH MAINTENANCE

For daily cleaning, TUOHY recommends using only warm water or a reputable, ammonia-fortified glass cleaner. Lightly apply the water or glass cleaner directly to the finish surface and wipe clean with a cotton or non-abrasive cloth, wiping in the direction of the wood grain. Polishes, waxes, and top oils are not recommended because they tend to build-up on the surface and distort the naturally clear, bright appearance of the TUOHY finish!
