Table Overview

Nika Tables are nesting tables that can be used individually or together to create a variety of different table layouts and overall sizes. The flip top allows for a smaller storage footprint, while the ganging and locking mechanisms allow the tables to be secure while in use.

LATCH MECHANISMS

Latches lock table to base when in down position. Release latches to lift into upper position.

GANGING MECHANISMS

Ganging Mechanisms to lock multiple tables together for different table configurations. (see page CN5 for examples of table configurations.)

CYLINDER ASSISTS

Cylinder assists help to raise top into upper position. Large tops have two cylinders (one per leg). Small tops have one cylinder in one of the legs.

HINGED MODESTY (OPTIONAL)

Optional Modesty panels hinge back when table is in the upper position.

ACCESS PANEL

Removable access panel gives access between legs for wiring. Panels can be painted metal or applied veneer.

WIRE MANAGEMENT MAGNETS

Surface mounted magnets for wire management.

METAL WIRE TRAY W/ DUPLEX UNIT

Power to each table is modular and quick-connect for fast changes and reconfigurations.

CASTERS

Rolling casters are concealed in base and a stabilizing glide can be lowered to keep tables in place while in use as needed.

Nesting

When the top is flipped in the upright position the tables can be nested together for smaller storage solutions.

30-in to 48-in deep tables
(12-in on center leg spacing)

54-in to 60-in deep tables
(15-in on center leg spacing)

TABLE DEPTH	A (HEIGHT)
30	52
33	53.5
36	55
42	58
48	61
54	65.5
60	68.5

TABLE WIDTH	B (OVERHANG)
42	7.3
48	7.3
54	10.3
60	13.3
66	16.3
72	16.3
84	16.3
96	16.3

Configurations

Tables can be configured in a variety of layouts. Ganging mechanisms on the underside of tops lock tables together. Ordering table sets allow for veneer matching.

Grain runs long on rectangle tables.

Grain runs parallel to base legs on square tables.

Power

Each table includes duplex outlet that is meant to be daisy chained. Surface power options can be ordered separately and plug into duplex outlet.

SURFACE POWER

Surface power options are mounted in top of worksurface and plug into duplex outlet below worksurface. See page CN10 for recommended surface power options.

DAISY CHAINED DUPLEX POWER

Tables can be daisy chained in multiple configurations. One power cord is included for each matched set of up to (6) tables. Individual non-matched tables receive one power cord per table.

WIRE MANAGEMENT BASKET

Duplex Outlet sits inside wire management basket on underside of top.

Power-in with cover panel in place.

POWER IN

Radius on inside of foot and 2-inch access hole allow power to enter in through the floor into the leg.

REMOVABLE COVER PANEL

Removable Cover Panel on legs allow access to feed power through the legs.

For optional modesty panel append **M** to product number and add list price.

> To Order

For product numbers, join the Prefix Code, Material Code, and Leg Code; read across and down for price.

Ex. Qty (3) 42wx42d tables with Wood1 Matched Veneer tops, Chrome Legs with Wood1 Cover Panels, ProdNo is NIKAA3W1CW1; List Price is \$27354.

! Notes:

Tops are 1.125 inches thick.

All tables have concealed casters.

Tables must be ordered as a matched set if veneer-matching is required.

Includes ganging mechanisms on underside of top. Ganging tables should always be the same depth; widths can vary.

Leg Columns have leveler for purpose of stabilizing table when in use.

Standard Powdercoat color options:

(MRW) Resin White

(MRSA) Resin Satin Aluminum

(MRTG) Resin Thunder Gray

(MRB) Resin Black

(MRBM) Resin Black Matte

(MRBZ) Resin Bronze

Each table includes duplex unit with daisy chain.

Matched table sets will have one power entry per 6 tables. Non-Matched tables will have one power cord per table.

All tables include wire basket in (MRB) black between the legs.

Order individual in-surface power units from page CN10.

For no duplex unit deduct \$684 per table in matched set (custom item number).

For optional modesty panel append **M** to product number and add list price. 

> To Order

For product numbers, join the Prefix Code, Material Code, and Leg Code; read across and down for price.

Ex. Qty (3) 96wx48d tables with Wood1 Matched Veneer tops, Chrome Legs with Wood1 Cover Panels, ProdNo is NIKAP3W1CW1; List Price is \$30908.

! Notes:

Tops are 1.125 inches thick.

All tables have concealed casters.

Tables must be ordered as a matched set if veneer-matching is required.

Includes ganging mechanisms on underside of top. Ganging tables should always be the same depth; widths can vary.

Leg Columns have leveler for purpose of stabilizing table when in use.

Standard Powdercoat color options:

(MRW) Resin White

(MRSA) Resin Satin Aluminum

(MRTG) Resin Thunder Gray

(MRB) Resin Black

(MRBM) Resin Black Matte

(MRBZ) Resin Bronze

Each table includes duplex unit with daisy chain.

Matched table sets will have one power entry per 6 tables. Non-Matched tables will have one power cord per table.

All tables include wire basket in (MRB) black between the legs.

Order individual in-surface power units from page CN10.

For no duplex unit deduct \$684 per table in matched set (custom item number).
