

GENEVA

CASEGOOD COLLECTION

TUOHY

Rich palette of materials with **customization capabilities**.

Brushed Nickel. **Stitched Proxy faux-leather.**
And the world's finest hardwoods.

Broad component offerings of **tables** and **casework**.

Elevated on brushed nickel leg frames **or in full height cases** with recessed floor trim.

The base detail is expressed in 3.5 and 12-inch legs or with a to-the-floor detail with metal trim, as shown at right.

This casegoods collection is one member of the broader Geneva family of products that also includes a complete conference collection and casegoods for reception and administrative assistants.
