Table

TUOHY

With a simple, curved base and unique guitar-pick-shaped surface, the Ribbon table invites collaboration. The elegant table elevates the look of private offices, shared workspaces, meeting rooms or any type of setting where people work together.

Customize the Aesthetic

Dial up the sophistication of a space with the versatile Ribbon table. Specify the top and base in a variety of high-end finishes and materials including veneer, solid surface, quartz, marble, laminate, and other custom materials. Choose from a guitar pick or round top shape with a square, bevel, or cantilevered edge detail.

Provide Access to Power

With the Ribbon table, you have the option to route power from the floor through the center column. This streamlined design makes it easy for people to charge laptops and other devices.
