Lounge

TUOHY

At once sculptural and comfortable, the Stratford Lounge Collection offers the perfect balance of softness and resilient support. Designed to embrace your spine's natural curves, this lounge chair reduces back tension and encourages you to relax.

#### Elegant and Ergonomic

With refined details including gently curved arms, a well-proportioned polished aluminum base, and intricate stitching on the high-back chair, the Stratford Lounge Collection makes a statement in any space. Beautiful and functional, the chair also features a slightly reclined back, ample seat depth, and high-back option for enhanced ergonomic support.

#### Outfitted for Comfort

Create a soothing lounge space with options including mid- and high-back chairs and an ottoman—all with a 360-degree swivel. Choose from leather, faux leather, and a variety of COM materials to customize the look.
