

## Fabric Panels - Approved COM

- All COM/COL and non-standard graded in materials must be pre-approved by Tuohy before we can process a purchase order.
- All materials included on this list have been pre-approved for use on this specific product line.
- Please be aware that while some vinyl and leather products are approved for use on Tuohy fabric panels, push pin holes will be visible
- Fabric panels are tackable and non-magnetic.
- If there is an \* next to a material listing please contact your Tuohy sales manager to learn about possible restrictions or warnings with use.
- If your material is not listed, contact your sales manager to inquire as to whether it has been tested, as this is not a comprehensive list.
- To have a material tested please send a memo sample (12"x12" appx) to the address shown below tagged with the project information.
- Please be sure to send sample tracking information to your sales manager so they can follow up and contact you with the results.
- After a furniture order is placed that includes an approved COM/COL material please have the vendor ship the material to the address below tagged with project and order information.
- Dealers may incur shipping charge backs for materials shipped to the incorrect plant.
- Note: This is not a comprehensive fabric list. It is updated periodically and does not contain every fabric supplier. Tuohy does not guarantee all materials listed are currently available for purchase from the material suppliers.
