

Andover

Tables

TUOHY

Outfit a flexible, adaptive hospitality or collaboration space with the versatile Andover Table. The design's unique dual height surfaces allow people to sit or stand, choosing a comfortable posture that helps them stay productive.

Options to Suit Any Setting

From cafes to casual lounge spaces, the Andover Table offers an array of options for creating a distinctive look in any space. Choose from seated, counter, or bar height surfaces to encourage postural variety. Accommodate both small groups and large gatherings with tables available in total widths up to 12 feet and in a variety of top widths and configurations. Andover Table tops are available in 1-1/2" or 2" thickness and can be finished in nearly any material, including veneer, laminate, solid surface, glass, marble, and more.

Flexible, Convenient Power Access

Locate power right where it's needed with the Andover Table's functional design. Specify power in multiple configurations in the divider panel between two top surfaces or place it directly on the tabletop for convenience. All cables are neatly routed through the center base to the floor and are easy to access through a hinged door—keeping the tabletop and base free from clutter.
