**Overview**

Each Montrose Table may be ordered with 6-inch radius corners or square corners, with one of three base size options, and with power per seat or shared power.

### Sections, Segments, and Power

Table sections are based on power option and width. Top segmentation varies by material. Number of Power Units is based on power option, number of seats and top shape. Individual power option includes one power per seat. Shared power option includes one power per two seats.
