

Genevieve

Guest Chair

TUOHY

Genevieve Guest combines simplicity and elegance in a versatile design ideal for offices, lobbies, and reception areas. This chair is part of an internationally inspired seating collection that brings timeless appeal to diverse settings, blending luxurious upholstery, a simple metal frame, and stitching accents to create a classic look.

Sturdy Steel Foundation

Genevieve Guest is anchored by a cantilevered steel frame that offers both strength and style. Choose from black, white, bronze, dark bronze, or polished aluminum finishes to complement the color palette in a space.

Comfort Meets Lasting Support

Office settings host a wide range of people throughout the day. That's why Genevieve Guest is designed with high-density foam cushions that provide ergonomic comfort and long-lasting support for people of all shapes and sizes.

Ample Upholstery Options

Create a tailored aesthetic with Genevieve Guest—available in leather, faux leather, or a wide range of textiles to suit your design needs.
