

Occasional Tables

TUOHY

Tuohy's versatile collection of occasional tables is designed to suit an array of environments, offering a wide range of shapes, sizes, and heights to complement lounges, private offices, shared spaces, and more. Whether specified individually or grouped together, each table balances style and function to support both casual interaction and refined interiors.

Uku

Uku features a distinctive angled base that coordinates with Uku casegoods while also complementing a variety of modern interiors. Offered in round, square, and rectangular shapes, these tables are available in standard occasional heights as well as seated, counter, and bar heights. Their geometric character adds subtle visual interest without overwhelming the space.

Seaton

Seaton presents a timeless round profile supported by a simple tube base for an elegant, understated presence. Available in 16-inch, 21-inch, and 26-inch heights—with seated, counter, and bar options—these tables accommodate a range of applications. Tops may be specified in single or layered materials, including veneer, stone, solid surface, marble, glass, quartz, and custom combinations for a distinctive finish.

Oblique

Oblique is defined by a sculptural base with tapered sides that designers can specify in wood or wrapped in faux leather for added texture. Tabletops are available in quartz, acrylic, solid surface, glass, wood, HPL, and other custom materials, with veneer self-top options also offered. A wide range of diameters, from 12 inches to 36 inches, and heights from 13 inches to 28 inches make these tables ideal for both standalone use and curated groupings.

360-361

360-361 showcases clean, minimalist style with simple veneer forms. All edges and joinery are expertly concealed for a seamless appearance. Available in square or cylindrical shapes ranging from 18 to 48 inches wide and 15 to 28 inches high, designers can specify these tables alone or in vignettes. A broad selection of wood species and finish colors allows effortless coordination with surrounding furnishings.

Airde

Airde is designed for versatile utility, serving as an ideal pull-up companion to lounge seating. Offered in fixed or adjustable heights—with optional swiveling lower tops—it adapts easily to changing needs. Wood and solid surface tops ensure durability while maintaining a refined aesthetic.

Moderna

Moderna pairs naturally with the Moderna lounge collection and complements a range of contemporary settings. Available in square and rectangular forms at a 13-inch cocktail height, each table features a brushed-nickel leg for a crisp, modern accent. Tops can be specified in veneer, solid surface, quartz, marble, or custom materials for a tailored look.

Domino

Domino tables provide cohesive occasional and side table options for integrated lounge environments. Tops are available in stone, quartz, acrylic, solid surface, etched or back-painted glass, and a range of veneer finishes. Round, square, and rectangular top shapes and 16-inch and 21-inch heights allow for flexible placement throughout a space.
