Seating

TUOHY

**Ideal for office and meeting spaces, fully upholstered Vita has generous proportions that deliver exceptional comfort. Options for back height, tilt mechanism, and base style mean you can easily specify the chair to suit the needs of any workspace.**

### Refinement in Every Detail

Create a tailored look by specifying the seat in a material that contrasts beautifully with the shell. Upholstery options include a variety of leather, faux leather, and upholstered fabrics, while a polished aluminum base adds a refined, modern touch.

### Simple Form, Refined Palette

Veda has a clean, modern profile with fixed arms and a choice of either a plastic or polished aluminum base. Available in a thoughtfully curated palette that complements many interiors, Veda is available in a black or gray frame, and in black, gray, or light gray mesh.
